STATEMENT OF PURPOSE: The Center for Alcohol and Drug Treatment (CADT) was
funded in 2009 to administer direct cash assistance (Flex Funds) under the

Homeless Prevention and Rapid Re-housing Program. The City of Duluth is transferring the balance of this contract administration to the agency, which has been subcontracting to CADT, to serve the homeless population identified by CADT. Under this resolution, funds remaining under this contract will be transferred to the HPRP Flex Fund Administered by the Salvation Army. This will streamline the process of submitting reports and invoices to include timely submissions.
